

Let's Go Green Together!

We are inviting you, our valued customer, to "Go Green" with us!

Many of you purchase energy saving "green" products from us today, such as compact fluorescent light bulbs, long-life fluorescent lamps and energy saving ballasts. In addition to offering you these and many other energy saving products, we are also able to send invoices to you electronically. It's faster, more convenient, and better for the environment!

Please choose from the following "go green" options and fax or email this letter to: 937-226-0207 or: ebill@beckerelectric.com

- Please email our invoices to this email address: _____
- Please fax our invoices to this fax number: _____ (include area code)
- Please continue to send our invoices via U.S. mail.
